

Looking For a Preschool Program?

The preschool program located in J.B. Stephens Elementary will be screening for the 2019-2020 Typical Peer Program between **Friday, March 8 - Friday, March 15 by appointment only**. Please call Kim Freeman at 317-464-4491 ext. 41101 for an appointment that may last up to 10 minutes. The screening will be completed by a Speech and Language Pathologist.

The **typical peer program** is for preschool children who will be at least 4 years old but no older than 5 years old by August 1, 2019. Typical peers possess age appropriate skills and serve as good speech and social models for our children who have special needs. The children will be required to pass a speech and language screener. Applicants are chosen based on this screener and teacher observation. You will be notified on or before March 29th as to whether your child was selected or not. Should more applicants qualify than space allows, a drawing will be held to fill positions.

Class Times: 7:20-10:10 Monday-Thursday
11:00-1:50 Monday-Thursday

There is one licensed teacher per class and at least one teacher's assistant per class with two being the norm. While our classes usually start small, we typically have about twelve children in each session.

Registration:

If your child is chosen to participate as a typical peer a **\$75.00 registration fee** is due at the time of enrollment. We do not collect any fees on the screening day. **The registration fee is a separate charge. It does NOT apply to any tuition payments, and it will not be refunded if you withdraw your child.**
