

Help Abigail Help The Heads Up!!! Foundation

What: She is collecting empty printer, copier and toner cartridges. (Big and Small)

Why: To help the Heads Up Foundation help other children like Abby with craniofacial anomalies.

Who: You can send them to school with your children! They will be collecting them in the office.

Abby attends a camp called Camp About Face through Riley Hospital for Children. This is a camp for children with craniofacial anomalies. The Heads Up Foundation encourages campers to collect cartridges to help the foundation help others with these anomalies including those who go to the craniofacial clinic at Riley Hospital for Children. Abby accepted the challenge!!! Want more information? Check out the Facebook page below for updates on how she is doing and the other websites for more information about the Heads Up!!! Foundation and Camp About Face.
