

## G-C eLearning Day

- Wednesday, September 26, will be an eLearning Day for all Greenfield-Central Students, K-12
- Students learn at home, via online lessons delivered through Google Classroom, Moodle, or SeeSaw; while Teachers have Professional Development Learning at school.
- Students need to be prepared to complete their lessons on the eLearning Day, and submit any assigned work the next class day. If students do not have internet access when off school campus, they will download their work prior to leaving the school on Tuesday.
- There are opportunities to visit local spots with free wifi if there isn't any at home, such as Hancock County Public Library, Starbucks, McDonalds, and Lincoln Square.

For Tech Support on the eLearning Day, please call (317)477-4111 to speak with our Help Desk.

Teachers will be available during the following office hours on Wednesday, September 26:

Elementary Schools - Office Hours 12:00pm-3:00pm
