Want to learn a band instrument?
You can start NOW!!

Do you already play an instrument?

Beginning Band (1st-8th)

This is the entry level to learning an instrument from. In this group, students will learn the basics of their instrument. We will establish fundamentals of tone, hand position, embouchure, and reading skills.

Intermediate Band

This is the mid-level band. In this group, students should have a grasp of reading and playing the first five notes of their instrument. We will learn the basics of ensemble playing while reinforcing the basics of playing our instruments. This group will perform full band pieces that are labeled an "Easy" level of difficulty. Extra performance experiences such as side-by-side experiences may be offered in this group in the second semester.
