Come through the circle in the parking lot while staying safely in your car. Have the kids dressed up, roll down the windows so they can be greeted by our volunteers and given a treat bag. Each kid may receive one bag. We will be at the school parking lot until 7:30 or until we run out of goodie bags.

Please note: For your safety, you must stay in your vehicle. The bags of candy will be prepared and distributed by masked and gloved volunteers.
