

Dear Parents,

December 7, 2020

Thank you for showing interest in our food distribution program. It is our mission to continue to provide nutrition support to all G-C CSC students whether on or off site. All meals provided for the 2020-2021 school year are free of charge to all G-C students thanks to a USDA nationwide waiver.

In an effort to continue to provide nutrition support to our families, we will be distributing meal kits directly to your home over Christmas Break to help ensure your student(s) have access to food and support their overall health and wellness.

This at home meal kit delivery service will provide families with 5 breakfasts and 5 lunches per week for each **ENROLLED G-C student** living in the household. At this time, meal kits are not available for siblings and/or other children in the household that do not attend G-C schools.

Meals will be delivered on a G-C school bus and brought to your doorstep by a G-C employee wearing their ID badge for identification purposes. Please note, you do not have to be at home for meal kits to be delivered. If resources are available, please consider having a cooler or storage tote where you would like kits to be left if no one is at home to receive them.

This service will be provided each week of Winter Break, and meal kits will be delivered on Tuesday, December 22 and Tuesday, December 29.

In order to receive the delivered meal kits, you must sign up using this form:

<https://forms.gle/YSKgaswMUrTzaYhg8>

Please complete this no later than 5:00 PM on Thursday, December 17 in order to guarantee delivery. The order form only needs to be completed one time to receive a meal kit for both weeks.

Please contact Amanda Stout, Director of Food Services, at acstout@gcsc.k12.in.us with questions.

We hope your family enjoys a wonderful holiday season!
