2021 Camper Registration *

*****At Nameless Creek Youth Camp we are aware of the current COVID-19 situation and are fully prepared to give your camper a safe and enjoyable experience.*****

What is the Plug into Nature Summer Camp?

Plug into Nature (PIN) Camp is a five-day summer camp experience for youth in Hancock County. Campers should be entering the 3rd- 5th grade the following school year.

Where and when is the camp?

The Nameless Creek Youth Camp is located at 2675 S. 600 E., Greenfield, IN. The PIN Camp will take place at the Nameless Creek Youth Camp from **July 12, 2021 to July 16, 2021 from 9am to 4pm.**

What will campers do at camp?

The camp will provide activities such as sports and games, nature trail/creek exploration, a water carnival, arts and crafts. Campers will be able to enjoy a simple game of kickball and learn new water games to play during the hot summer months. The campers will also participate in arts and crafts that use the resources in nature to create beautiful pieces of art. Some outdoor activities will include nature journaling, searching for tracks and signs, learning about wild edibles, animal habitats and caring for the environment through the “leave no trace” skills.

These activities will not only allow the campers to enjoy the outdoors and learn new activities, but will also teach leadership, team building, and social skills. The campers will learn how to work with peers to complete a task and have fun. Different activities will give each camper the opportunity to step forward and lead a group. Our camp counselors consist of excellent county high school and college students who lead the campers in fun activities.

What is the cost of attending the camp?

We are requesting that each camper pay a registration fee of **\$10** followed by a **\$80 fee** (due after registration is accepted). **Total cost to camper = \$90.**
