

GASC Logo Design Contest

Greenfield Area Soccer Club is looking to update our Logo for our 30th Anniversary and we're asking for your help.

If you are interested in participating, please design a logo for the Greenfield Area Soccer Club and email the design to 15u@greenfieldsoccer.org by 4/1/2022.

Everyone is eligible to participate in the contest, there is no age limit. Please include your name, age, and contact details when submitting your logo design.

A committee will review and judge the designs and a winner will be announced later this year.

**Logo designs should be family friendly and soccer related.
